

Achieving Strategic Clarity: Sample Program Calendar

The **Achieving Strategic Clarity** program is designed to be completed over 12-18 weeks, with an expected weekly commitment of 1-2 hours by participating team members (additional time required for the Project Lead). Most teams complete one team summit every 2-3 weeks.

Sample Schedule

This schedule represents an example of how you might approach pacing. The program is self-paced, and we encourage you to modify the schedule to fit your organization's needs. The below timeline is illustrative; specific dates for future sessions to be confirmed.
