The Achieving Strategic Clarity program is designed to be completed over 12-18 weeks, with an expected weekly commitment of 1-2 hours by participating team members (additional time required for the Project Lead). Most teams complete one team summit every 2-3 weeks.

**Sample Schedule**

This schedule represents an example of how you might approach pacing. The program is self-paced, and we encourage you to modify the schedule to fit your organization’s needs. The below timeline is illustrative; specific dates for future session to be confirmed.
